Year 7

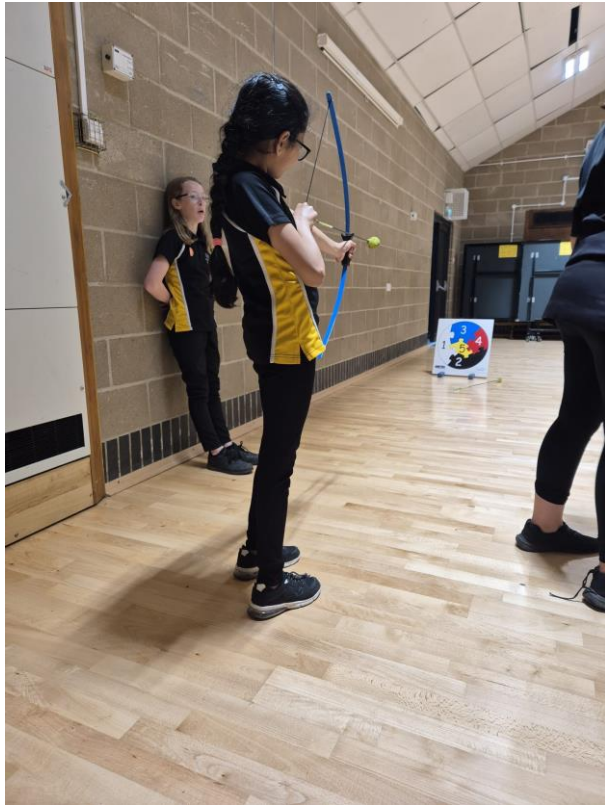

Year 7 Rounders

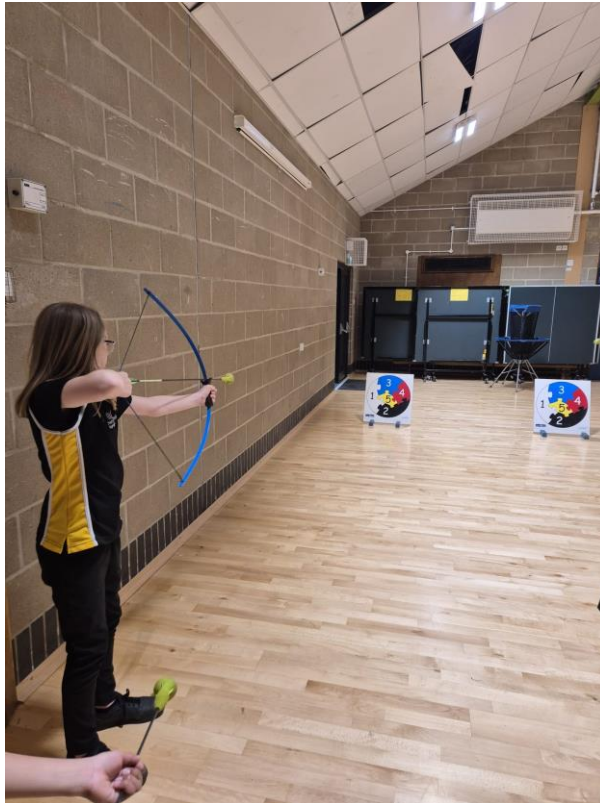

*1 - On Tuesday, the year 7s went to TCC for their first league rounder tournament. It was a close first game between TCC and the girls, with plenty of hits and scores from **Isobel, Kerri and Mylee**. Unfortunately, a few half rounders given meant a loss to start. The next opponents, Finborough, were a tricky side to beat, with a strong backstop and 2nd combination. Again some lovely scores and great fielding from **Matilda** and **Ellen**. First rounders experience done, and a few more to go. Well done all.*

Year 7 Inclusive event

On Wednesday, a handful of year 7s went to Stowupland to have a go at some alternative games. They started off with some indoor golf, (which they did particularly well at), then onto frisbee targets and then finishing with archery. Some new skills learnt and practised, with a good time had by all.

Year 9

Year 9 Rounders

2 - On Thursday this week, the year 9 rounders team attended the Western Area rounders tournament. They faced KEGS, County and Finborough in their group. They got off to a great start and beat County 5-2. Then they played two close games against KEGS and Finborough and just fell short.

*There was some excellent work at backstop from **Layla Peckford**, alongside 1st base player **Pheobe Fox**- Together getting a number of players out. **Danielle Taylor** did a fine job as bowler, while **Jasmine Clare** got the catch of the day! Lots of improvement was shown- well done girls.*

All Years

Archery

3 - Well done to the archery team on Thursday. The winner of the whole competition against Stowupland was **Oliver Deal**. Credit to **Maisie Keeble** who played in her final fixture for the school. Well done all round!

Manager of the Month

4 - Congratulations to Mrs Harvey for being named Mr Wise's manager of the month for April. Whilst the success of the teams is in part down to the great performances of the students in the team, none of it would be possible without the time and expertise given by the PE staff. April was another great month for sport at SHS but Mrs Harvey has been recognised for leading the Year 7 girls football team to glory in the West Suffolk Cup, a great achievement in their first year at the school.
