Dear Families

I am writing to share with you the exciting news of some additional support that is available for both Maths and English next half term. We have teamed up with MyTutor, one of a group of companies who have been approved by the government to provide small group tuition under the National Tutoring Programme.

MyTutor will be offering an online programme that tackles key areas of the curriculum, focussing on topics and techniques that will support students as they move towards Year 11. We have a limited number of spaces available for each subject area, with sessions starting the week beginning the 3<sup>rd</sup> of June.

English sessions will take place in school each Tuesday between 3.15pm - 4.15pm, with the first one taking place on the 4<sup>th</sup> of June.

Maths sessions will take place in school each Thursday between 3.15pm - 4.15pm, with the first one taking place on the 6<sup>th</sup> of June.

Students will work online at a ratio of three students per tutor. Students can choose to have the camera and audio on or can communicate with their tutor through the chat function. The work will be targeted, and your child's teacher will provide the tutor with topics areas that will benefit them the most.

Student's places on the programme are fully funded by the school.

Here is a link to the MyTutor website which provides more information around the National Tutoring Programme: <https://schools.mytutor.co.uk/>

As I am sure you will appreciate this is an excellent opportunity for pupils, and places will be in high demand. Therefore, please complete the online consent form below to register your interest in one of the two subjects by Friday 31<sup>st</sup> May.
