14th May 2024

Dear Families

I am writing to inform you that the Year 10 PRE exams will be taking place after May half term. Students will be sitting as near to a full timetable as possible, to ensure that we have a clear picture of where students are as they move towards Year 11. This will allow teaching staff to identify group and individual needs and start planning to support students further from September.

The PRE exams will be run as close to a real set of exams as possible, with all exams taking place either in the Main Hall, Activity Studio or the C-block. Each exam room will have external invigilators, and if your son/daughter has been screened by Mrs Orton for access arrangements, these will be applied to each paper.

Initial information was shared with students last week and more will follow once they return from work experience, including a PRE-Exam Handbook highlighting exam procedures and expectations. Teaching staff will also be preparing students during lesson time.

Below is an outline of the Year 10 PRE timetable. The exams are fairly spread out as they have had to fit in with the external exams that are taking place for Year 11.
