

PE Newsletter 10th-14th June

Year 9

U14 Athletics

1 - The year 9's went to Bury St Edmunds for the Western Area super8's athletics this week. Both the boys and girls sorted out their events brilliantly and with confidence, then the girls were on the track first. Some good performances all round on the track, in particular **Danielle Taylor** in the 1500 and **Martha Allum** in the 300. The boys field events also showed a solid performance. On change over, the boys did great on the track with a couple of wins in the short distances and great effort in all races. To end the afternoon, it was relays; fantastic effort all round and special mention to **Jasper Piper** and **Alfie Hammond** who made great ground in the relay for the boys and **Sienna Craddock** and **Esme Mixer** for the girls. Well done everyone.

Year 10

Year 10 Girls Rounders

2 - On Tuesday the year 10 rounders team attended the West Suffolk rounders tournament. In their initial group stage they faced Great Finborough, Thurston and Stowupland. After winning comfortably against our local schools Stowupland and Thurston, then narrowly lost in the group stage against Finborough by only one rounder. They then faced ST Benedicts in the Semi finals who has won the other group. They dominated this game and denied them with some excellent fielding, with them only scoring 1 off 20 balls! The girls then batted well and scored 5 to win the game and enter the final!

Typically, Finborough had also won their semi- final and the girls had to play them for a second time! Our girls batted first and scored 3 rounders after some good fielding from their opponents. However, when the girls came into field, they were

*outstanding and denied Finborough to only score 2.5 off 19 balls. Finborough's number one batter stepped up for the final ball of the game, knowing she had to score 1 full rounder to win her team the game. She struck the ball very well, high and far. Luckily for us, **Bella Thomas** was alert and unsurprisingly to her caught the ball above her head to win us the tournament!*

The girls were crowned West Suffolk Champs and they now progress to the county finals!!

*Outstanding contributions came from our bowler, **Eve Caldwell**. Our backstop, **Jasmine Randell** and our 1st post player, **Joanna Vince**. **Broni King** also made an excellent catch in the field! Well done girls :)*

Year 10 Tennis

Earlier in the week, the girls and boys tennis teams competed against Debenham in their league games. It was an excellent afternoon of tennis with top performances from **Harry Castle**, **Broni King** and **Martha Hardacastle** who didn't drop a game in all their matches! Well done to all involved.

Upcoming Fixtures

Monday 17th June:

- U15 girls cricket county final @ Stowmarket Cricket Club (12:00-5:00pm) *J.Howland*

Tuesday 18th June:

- u13 Super 8s Athletics @ Bury Track (1:00pm-5:30pm) *C.Andrews & G.Whitfield*
