

PE Newsletter 17th-20th June

Year 8

1 - 16 Pupils took part in the under 13 Super 8's athletics tournament on Tuesday at the West Suffolk athletics track. All of the pupils should be proud of their efforts considering they faced some fierce competition from Finborough and other schools based in Suffolk. The results for the tournament are yet to be announced; however, all of the pupils should hold their heads high regardless of the result. A big shoutout to **Isla Green** in year 7 for helping out and for **Ben Hooper** and **Lewis Randell** for winning their 300m races. Well done and thank you to everybody who took part!

Year 10

2 - On Monday the year 10 girls competed in the County Cricket finals! The girls faced Holbrook, Claydon, Thomas Mills and Farlingaye. They came out in 3rd place overall, after some extremely unlucky results, including losing by 1 run and 3 runs in two of their games! Our player of the tournament was **Jasmine Randell** after her display of excellent bowling and batting.
