Dear Families

I am delighted to have been appointed as the new Deputy Headteacher for Stowmarket High School from September 2024, and I am very much looking forward to getting to know all our pupils, parents, carers and staff.

I have been a teacher and senior leader across a range of secondary schools in Suffolk for 23 years. Being the mother of two children of high school age, I am very aware of the pressures faced by young people in school and society and thus the responsibility we all have in helping them get the very best start in life.

As part of my transition to Stowmarket High I have spent time this half term with the staff and students at the school and I have been really impressed by what I have seen. I have seen high expectations insisted upon for all, balanced with bespoke support, care and kindness.

Under the new leadership of Ms Hernandez, it's clear the school is on an upward trajectory, (much like the local football team in blue) listening to its stakeholders and seeking to strive for the very best educational experience for all students as they so rightly deserve. My primary role will be the behaviour and safeguarding two areas of paramount importance.

I went into teaching to make a difference; this is still my philosophy as senior leader. I have found from experience that the key to success is investing in your school and students, leading with morality and energy, whilst being firm and fair. I know that a successful and happy school depends on all of us working together. As parents and carers, you make a pivotal contribution to your children's achievements, and I thank you in advance for the support you afford them and that of the school. I am looking forward to meeting you.

I intend to be a very visible deputy headteacher who will be out on duty before and after school, so please do say hello.

Kind Regards

*F Hubbard*

Miss F A Hubbard  
Deputy Headteacher
