Dear Families

GCSE Results – Thursday 22 August 2024

GCSE results will be available for students to collect from **9.00am – 11:00am on Thursday 22 August 2024**. They will also be available online from 10.00am on this same day, via the Go4School website.

I would also like to remind you, that if a student cannot collect their results and would like a family member to do so, then they must **notify us in advance in writing**, informing us who they have given permission for collection to. Please email Mr West if you have any questions.

On arrival, and prior to collecting their results, students will need to complete a destination form which required by the school for Post-16 tracking. There will also be a form in the envelope which should be completed once students have seen their results. This form is a request for them to give us permission to get a copy of their exam script from the exam board. We can then use this as exemplar material, anonymised, to support our teaching in future years. These scripts become an invaluable teaching tool that future students can benefit from.

If a student feels that there has been a mistake made in the marking of any of their papers, then they can request a copy of the marked script. At that point, I would strongly urge the student to share this with their teacher and discuss the merits of seeking remark or a clerical check. There are fees involved with these actions.

If students have any queries following their results, then they should direct these to Mr West in the first instance: t.west@stowhigh.com

We look forward to celebrating with our students on Thursday 22 August 2024.

Pre-Loved School Uniform

If you have any school blazers, ties or PE kit you would like to donate to the school, this would be greatly appreciated, we can take receipt of this on Results Day.

Collection of Design Work

On results day the Design department will be on hand to allow you to collect your furniture in room G.05. Please consider how you will transport this home considering the context of the size of your final piece of work.
