Dear Families

Contributions to Design & Technology Materials/Ingredients

In Years 10 and 11, most students study some form of Design & Technology. To cover the minimum cost of materials and ingredients they use for their projects we kindly ask for a voluntary contribution of £15.00 which covers the academic year.

If your child studies a GCSE Design Technology subject (Resistant Materials, Graphic Projects, Engineering or Textiles), please log on to make payment. If you require login details or require financial assistance, please contact the finance office at finance@stowhigh.com with the name and year group of your child.

Yours faithfully

Miss Lucie Hernandez
Headteacher
