Dear Families

Contributions to Design & Technology Materials/Ingredients

In Years 7, 8 and 9 all students study some form of Design & Technology. To cover the minimum cost of materials and ingredients they use for their projects we would kindly ask for a voluntary contribution of £15.00 which covers the academic year.

Please log on to ParentPay to make payment. If you require login details or require financial assistance, please contact the finance office at finance@stowhigh.com with the name and year group of your child.

Yours faithfully

Miss Lucie Hernandez
Headteacher
