

PE Newsletter 30th Sept- 4th October

Year 7

Year 7 Netball

The girls got off to a great start in their first game against County this week. Lead brilliantly by Lola, the girls worked well together, intercepting many passes from their opposition. With fab feeds by Lilly into Olaya and Lily, whose shooting was on point and solid defence from Emily and Abigail, it meant that we had most of the possession in the game. Poppy worked hard up and down the wing, alongside Lola. A great game to watch, a well-deserved win. Well done girls!

Year 8

Year 8 Netball

A fantastic start this week for last year's league winners. With Kerri leading by example and Ellen working so hard at centre, the first half was pretty much in the girls possession. Isla and Lily working the goal third brilliantly allowed plenty of great goals in the first half. In the second half, Matilda and Mylea intercepted many passes to limit the oppositions chances, showing a great partnership in defence. With Mylee being a strong link between defence and attack the girls showed great promise for this year. A fabulous start, well done all!

Year 9

Year 9 Boys Futsal

They year 9 boys took part in a futsal tournament on Thursday against Debenham, Hartismere and Stowupland. The team started off strongly with a 7-2 win against local rivals Stowupland. The team then won a whopping 10-0 against Hartismere which meant that the final game was against the previous winners, Debenham. Unfortunately, the boys lost the final game 6-2 after starting off

strongly. Despite losing the final game, all of the boys should be proud of their commitment and attitude on the pitch because they represented the school with immense pride. Top scorers of the tournament was **Lewis Randell** and **Ben Hooper**.

Year 9 Girls Futsal

The year 9 girls took part in a futsal tournament on Tuesday against Debenham and Stowupland. All 6 girls worked really hard and their efforts paid off because they won both games which means they progress through to the County finals. Mia Cassidy saved a penalty in the last minute which secured the girls' hopes of winning the tournament. All 6 girls should be proud of their efforts.

Year 10

Year 10 Netball

On Wednesday the year 10 girls played their first league game of the year against Thurston. The game was very close throughout and at half time the scores were even. The girls came out strong in the second half and Captain **Danielle Taylor** put her team in the lead through scoring a number of her shots. The girls held strong in defence, with **Poppy Healy** and **Freya Underwood** regaining possession on a number of occasions. Player of the match, **Layla Peckford** worked well throughout the game across the court, but particularly was feeding a number of great passes into the circle. The girls finished the game winning 17-15.
