Year 7

Year 7 Boys Football

The year 7 football team travelled to Mildenhall Academy on Tuesday afternoon for their quarter-final clash in the West Suffolk cup. Traffic delays meant that the team only had a few minutes to warm up before starting the match. This hindered our chances of a good start and the team found themselves 1-0 down after 2 minutes. Unfortunately, Mildenhall goals kept coming and Stowmarket found themselves 6-0 down before Callum Durrant pulled one back. Mildenhall kept applying pressure and their efforts paid off and scored a 7th goal. Despite the scoreline, the boys played some nice football and done well considering each player played a full game.

This result means that the u12 boys team have been knocked out of both cups this year. However, they should be proud of how they played and hold their heads high.

Year 9

Year 9 Netball

The year 9 netball team faced County Upper in their next league game of the season. It was an extremely close game throughout which went down to the wire! Aleamea Thompson was on form, scoring 9 out of our 10 goals with Lucy Beckley feeding some excellent balls into her throughout the game. Defensively, Millie Peck and Leah did a great job at keeping their attackers at bay. With the scored at 9-9 until the last minute, Aleamea kept her cool and scored leading the team to victory. Well done girls!

Year 10

U16 Badminton- Boys

In the same competition, the year 10 boys stepped up to compete in the higher age group competition. They also won a number of games over the tournament, coming third overall. A great effort considering they were facing year 11s.

U15 Boys Rugby

The u15 boys rugby team were in action this week for the first time. They had an amazing tournament, not losing a game all day! Vinnie Goddard was the player of the day for some excellent runs and try's. Well done to Jack Yeo also for playing up an age group and helping the boys out.

Year 10 Netball

Earlier in the week the year 10 girls netball team faced County Upper school. In a similar fashion to the rest of the week, the girls dominated throughout. Changing up their positions at half time, they still continued to go ahead winning by over 30!

Player of the match was Molly Fountain for her great work in the shooting circle.

Year 11

U16 Badminton - Girls

On Wednesday a group of year 11 girls and year 10 boys attended the u16 west Suffolk badminton tournament. The teams faced two Thurston teams, Great Finborough, Stoke College and OSA.

The girls B team faced a difficult initial group, coming third overall. Well done to Bella Thomas, Broni King, Clara Owen Stiff and Chloe Price.

The girls A which consisted of Jess Staines (1 seed) Eve Caldwell (2 seed) and Jasmine Randell and Martha Hardcastle (3/4 seed) topped their group, winning all their games. They then faced Great Finborough in the final, which was best of 5 games. The game of the day was the match between both the seed 1's. This went up to 10-10, with Jess Staines winning the match point with an unreal smash to deny her opponent. The girls went on to win another 2 out of the 5 games, meaning they won 3 in total out of 5, winning the match and progressing to the county finals in January. A great effort girls! Well done!
