Year 7

Year 7 Football

A strong Stowmarket side (Ruby, Emily, Ellie, Lily, Olaya, Liy, Abigail, Lola, Isla, Darcy and Olivia) kicked off against Stowupland in their first local derby match at Stowmarket High School.

Starting the first half straight away with excellent play between Ellie, Olaya and Emily straight through the middle, their goalkeeper blocking all the shots, Olaya managed to block their goalkeepers kick dribbled around their defence and put the ball in the back of the net scoring our first goal. Stowupland came back strong, but Ruby stopped every shot that came her way! Second half started the girls knew this half would be more challenging as they were playing up hill. Olaya delivered some excellent corners, but Stowupland's defence kept the girls from scoring. Cracking footwork from Emily allowed her to put the ball in the box for Olaya to score her second goal! Final score 2-0 and the girls are through to the next round of the cup!

Year 8

Year 8 Girls Football

On Wednesday evening the year 8 girls and a couple of year 7's also competed against Stowupland in their West Suffolk Cup.

We spent 95% of the game with possession and even with quite a few chances on goal 1v1 we didn't take them. We lost the game 1-0 after a quick counter attack which saw their number 9 through on goal, and despite Ruby Appleby's great save, we didn't follow the rebound and their number 11 slotted home.

Unfortunately this means we are out of the West Suffolk Cup after a great run, but we look forward to our next game after Christmas!

Year 9

Year 9 Netball

The year 9 netball team played in their final league game before Christmas on a cold and rainy Thursday. They faced St Benedicts in what was a very close game throughout. After the first third scores were tied and after the second scores were also tied at 6-6. Isabelle Beckley was dominating out defending third and keeping St Benedicts from scoring any more, whilst at the other end her sister Lucy was dominating the attacking third, scoring a number in the remaining minutes. As well as this, Maisie Ablett and Millie Peck worked hard throughout in the mid-court to defend as well as provide our attack with opportunities. The girls edged ahead and managed to win 9-7.

Year 10/11

U16 Girls Football

The girls played against Newmarket in a cup game on Tuesday. Newmarket started the game well and found themselves 2-0 following some lapses of concentration in defence from SHS. This was a wake up call for Stow who started to play much better creating a number of chances especially down the left. This pressure resulted in Martha confidently slotting the ball away on the break. Soon after this a handball gave Stow a penalty which Chloe calmly converted to make the game all square at half time. Some changes from both teams led to a slightly cagey second half with few chances for both teams. Unfortunately Newmarket managed to grab a winner with a long distance shot with less than 5 minutes remaining.
