Dear Families

Leap into a higher grade! MFL GCSE Speaking Booster Day at One Sixth Form College.

An important part of their MFL GCSE exam is the speaking exam, which takes place prior to the official exam season, shortly after the Easter holidays.

Therefore, on **Saturday 01 March** we are delighted to offer our pupils the opportunity to attend the MFL GCSE Speaking Booster Day held by One Sixth Form College in Ipswich, in collaboration with local schools.

The focus will be on giving the students extra speaking practice in advance of their GCSE exams, while revising key topics which are the subject of the Listening, Reading and Writing papers.

A particularly useful part of the day will be the opportunity to practice the key components of the speaking test with A Level students from One Sixth Form College and with language teachers from local schools.

This is a free event made possible by the voluntary support of staff and students who have generously given up their time. Lunch and other refreshments will be provided free of charge by One Sixth Form College, so please make us aware of any allergies or other dietary needs. Your child will need to be dropped off and picked up from One Sixth Form College, Scrivener Drive, Ipswich IP8 3SU.

We are encouraging all MFL GCSE students to attend and ask you to complete the Microsoft form to confirm your child will participate by following this link: [CLICK HERE](#) Support and revision activities will be available throughout the day from **10am – 2pm**. Your child will be expected to attend the full 4 hour period.

We appreciate that some students might normally have Saturday work commitments, but we are hopefully giving enough notice to allow your child to take advantage of this opportunity to support their success.

If you have any questions, please feel free to email me: c.pawsey@stowhigh.com

Yours faithfully

Charlotte Pawsey
