

Dear Families

Exciting Careers Opportunities This February!

February is set to be a busy month for the Careers Team!

We're gearing up to launch **Year 10 Work Experience (WEX)** with a special assembly on **Monday, 10th February**. On the same day, we'll be sending home key parent information to help support your child in finding the perfect work experience placement.

This launch also aligns with **National Apprenticeship Week (NAW) 2025**, running from **Monday 10th to Sunday 16th February**—a fantastic opportunity to explore the wealth of apprenticeships available both locally and nationally.

nationalapprenticeshipweek.co.uk

In this issue, we're focusing on **NAW**, bringing you the latest opportunities, resources, and guidance to help your child navigate apprenticeships successfully.

💡 **Need help with college applications?** I'm here to support! Join my **drop-in college application support sessions** every **Thursday lunchtime** in the **Careers Centre (opposite Room 2.03)**—no appointment needed!

Stay tuned for more updates, and let's make February a month full of career-building opportunities!

Mrs Mylrea
Careers Support Officer

National Apprenticeship Week 2025

The 18th National Apprenticeship Week takes place this year from 10th – 16th February!

National Apprenticeship Week (NAW) is an annual week-long celebration of apprenticeships, which aims to shine a light on the amazing work being undertaken by apprentices, employers and training providers across England.

It is also a fantastic opportunity to inspire students to consider apprenticeships as a future option and to share information about apprenticeships and technical education.

If you would like to find out more about apprenticeships, visit Amazing Apprenticeships' Parent and Carer zone: amazingapprenticeships.com/zones/parent/ and also sign up to receive the monthly magazine Choices, the ultimate parent and carer guide to apprenticeships and technical education: amapps.uk/choices
