Dear Families

Are you passionate about Science, Technology, Engineering, or Maths (STEM)? Join The Young Professionals for an exclusive virtual STEM event during National Apprenticeship Week on Monday, 10th February 2025 (5:00pm - 6:30pm) and discover exciting apprenticeship opportunities with some of the world's leading STEM employers.

This is your chance to explore STEM careers across multiple industries, gain insights from professionals, and learn how you can start your career through an apprenticeship.

Event Details

- Date: Monday, 10th February 2025
- Time: 5:00pm - 6:30pm

Meet Leading STEM Employers

At this event, you will hear from top STEM companies, including:

- Spectris (Keynote Speaker) – A global leader in precision instrumentation and advanced technologies.
- Legal & General – Find out how STEM professionals shape the financial sector.
- National Grid – Understand how STEM skills power the future of energy.
- Wates – Learn about engineering and technical roles in construction and property development.

Why Attend?

- Explore STEM Apprenticeships and Work Experience – Learn how apprenticeships offer an alternative to university while providing hands-on experience and a continuously increasing salary.
- Meet Industry Professionals – Hear from experts working in STEM careers across different industries.
- Get Application Tips – Understand what top STEM employers look for in apprentices.
- Future-Proof Your Career – Gain insights into how STEM careers are evolving and how you can be part of the next generation of innovators.
