Dear Families

Year 9 Key Stage 4 Options Evening - Thursday 27 February 4.30pm- 6.30pm

Further to my correspondence on 24 January regarding the KS4 Options Process, I am writing to formally invite you to our GCSE Options Evening, an important event for Year 9 students who are about to embark on the next stage of their academic journey.

As you may already know, the 'Key Stage 4 Options Process' can be a challenging but exciting time for students as they make decisions that will shape the direction of their future. It is essential that students and their families receive the necessary information and guidance to make informed decisions about the subjects they will take in Years 10 and 11.

At the Options Evening there will be two separate presentations in the Main Hall at 4.40pm and 5.30pm to help give further details and information. These will be led by Mr Smith and will last approximately 15 minutes. Before and after the presentations parents and pupils will then have an opportunity to discuss the details of the available courses with the subject leads and student helpers. There will also be representatives from the SEND and Senior Leadership team if you wish to discuss additional questions.

All Year 9 students have access to the Unifrog website, which offers impartial advice and guidance about careers and course choices at 14+, 16+ and 18+. If students have forgotten their access details, they can use the re-set password function, using their school email address <https://www.unifrog.org/>.

We look forward to seeing you on the 27 February, if you have any questions before then do not hesitate to get in contact.

Kindly click [this link](#) to confirm your attendance and let us know the number of attendees.

Kind regards

S Smith
