Year 7

Year 7 boys rugby

Charlie lead the boys through another great afternoon of rugby at the Suffolk tournament at Ipswich School. They had some challenging games up against some big sides, but did not let that defeat them. Out of the 5 games they played, they won 3 and lost 2. Jake and Jake making a great combination in the backs and scoring a number of tries and making some try saving tackles, showing determination and strength. Both Henry and James had some strong runs and supported the rucks brilliantly, as well as working well together with Charlie in the scrums. Camron played scrum half this times and made some cracking decisions and passes with Daniel and Martin, who showed strength in his tackles and supported the backs in their runs. New additions this time in Kai, Des and Zach who all showed great progression through every game, ensuring our defence was solid and Kason got his well earned try in the last game. Fantastic rugby played, well done boys!

## Year 7 Boccia & Kurling

A number of year 7 students attended the mixed school event of Boccia and Kurling at Stowupland High School this week. Starting off with some parachute games, they were introduced to a number of students from Great Finborough, Stowupland and Freemans. They then learnt the game of Boccia and successfully gained a number of points from their new skills. The last game of the afternoon was Kurling, where they went on to beat both of their oppositions. Great fun for all and nice to see some new skills being developed and new friendships made.

## England vs Italy 6 Nations @ Twickenham

On Sunday 9th March we took 14 exam PE students to a sunny Twickenham to watch England take on Italy in the Six Nations. The students were treated to a great game with scores very close at half time before England went on to win with a number of second half tries scored right in front of us. A great day was had by all with students representing the school impeccably.
